October, Month of the Rosary—Pope Benedict XVI in an address at the Basilica of St. Mary Major where he prayed the rosary with the faithful said: *"Today, together we confirm that the Holy Rosary is not a pious practice banished to the past, like prayers of other times thought of with nostalgia. Instead, the Rosary is experiencing a new Springtime. Without a doubt, this is one of the most eloquent signs of love that the young generation nourish for Jesus and his Mother, Mary. In the current world, so dispersive, this prayer helps to put Christ at the centre, as the Virgin did, who meditated within all that was said about her Son, and also what he did and said."*
